SAT/ACT Test Prep & Common Application Essay Boot Camp

with Chris Falcinelli of Focus Tutors & Elizabeth England of EE College Coach

June 25-29, 2018 • 9am-4pm | 26 Court Street, Suite 2315 • Brooklyn, NY

## Camp Basics Include:

- **Morning Session:** Daily small group test prep with Focus Tutors founder Chris Falcinelli and staff. These intensive sessions will lean heavily on strict technique, real-time drilling, and “think-aloud” brainstorming to allow students to mimic the approach of top testers and maximize the week's gains. Boot camp will best prepare students taking July/September ACT or August ACT. Camp will culminate with a mock test, returned to the student with a full score report and reviewed in a personalized, 1:1 Skype session.
- **Afternoon Session:** Daily workshop and 1:1 tutorial essay mapping with Elizabeth England, founder of EE College Coach. The days will be muscular, with students writing and strategizing approaches to the six Common Application Essay prompts. We will create a “no bad ideas” collaborative environment where students both share their thoughts and offer suggestions to peers. Some days we will double-up prompts so that students experience brainstorming and drafting each CA choice. Supplemental essays will be touched upon throughout the week, but the focus is on the CA Essay with every student ending Camp with a CA Essay draft that they're proud of. Homework will be assigned most if not every night. Charged laptops a must.
